

QPR GATEKEEPER TRAINING

Question. Persuade. Refer.

Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help.

In addition to the training curriculum, this in-person training provides an opportunity to learn about local resources and support, and ask questions.

Wednesday, Feb. 26
9:00 - 10:30am
**Decatur County Health
Department**
315 S Ireland Street
Greensburg, IN 47240

[Click to REGISTER HERE](#)

This special QPR training session will also include naloxone training from the Decatur County Health Department!

All trainees will leave with a packet of Narcan.

Coffee and light refreshments will be provided.

We all play a vital role in suicide prevention for our families and loved ones, our schools, and our communities.
