## **QPR GATEKEEPER TRAINING**

**Question. Persuade. Refer.**

Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help.

*In addition to the training curriculum, this in-person training provides an opportunity to learn about local resources and support, ask questions, and practice the skills learned.*

**Tuesday, March 25th**  
**10:00 - 11:30am**  
**103 East George Street**  
**Batesville, IN 47006**
