the Archaeological Research Institute!*

QPR GATEKEEPER TRAINING

Question. Persuade. Refer.

Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help.

In addition to the training curriculum, this in-person training provides an opportunity to learn about local resources and support, ask questions, and practice the skills learned.

Thursday, February 20th
10:00 - 11:30am
126 West High Street
Lawrenceburg, IN 47025
