Support for New  
and Expecting Moms

Are you pregnant or have you recently had a baby?  
The Safety PIN program may be for you.

## What We Do

Having a baby is a big change.  
We can help you prepare for your baby and  
your future.

## We Connect You With

- Health care before and after you have your baby
- Finding a place to live
- Access to help from programs that provide food for you and your baby (WIC)
- Support from government programs, like Social Security and Medicaid
- Special services, like counseling and help giving up drugs or alcohol
- Transportation

## Who Can Get Our Help?

- Pregnant moms
- Moms with a baby under one year of age

## How It Works

Get in touch with us to find out if you qualify.

If you do, you'll get support from someone called a care coordinator. Your care coordinator will support you every step of the way. They will help you find resources that work for you.

Together, you'll set goals and make a plan.

You'll also work together to find people in your life who may be able to help you in the years to come.
