

Hidden

In Plain Sight

What's it all about?

"Hidden in Plain Sight" is an educational traveling exhibit that educates parents to look for signs of drug or alcohol use and other high risk behaviors.

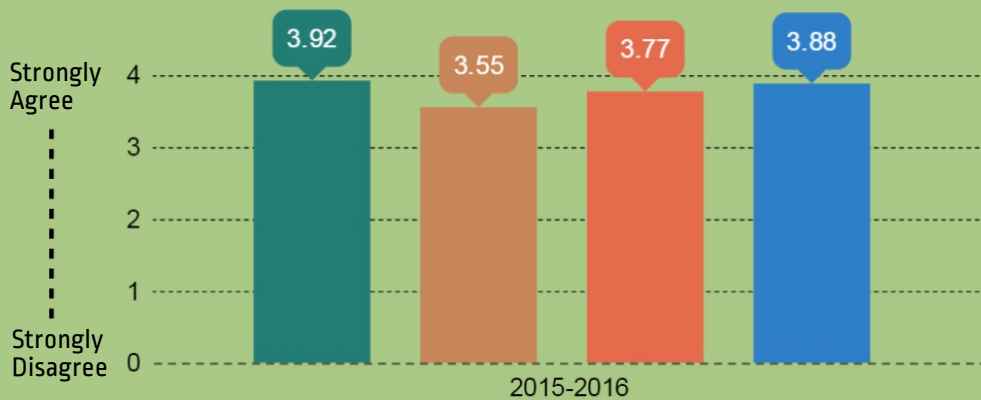

- ★ Come and walk through a teenager's bedroom to identify items that could be signs of risky behaviors.
- ★ Get your questions answered from law enforcement officers.

What are families saying?

350+

caregivers have experienced Hidden in Plain Sight!

Hidden in Plain Sight Participant Satisfaction

Counties we have visited

- ★ Dearborn
- ★ Decatur
- ★ Franklin
- ★ Ripley
- ★ Ohio
- ★ Switzerland

The exhibit has successfully raised participants' awareness of signs of risky behaviors, esp. alcohol, tobacco and drug use.
